

Amy Fairweather

Bio

I am a mom, wife, teacher and artist who is extremely passionate about the fact that the arts are thriving in Sussex County. I have been an art teacher for 29 years and I have experience with a vast amount of art media and techniques. I have organized and carried out many art shows including the Sussex County Teen Arts Festival, the Wallkill Invitational Art Show and the Wallkill Senior Artist Show. I have worked with the SCA&HC over the past year on maintaining the website, organizing virtual art shows and presentations and helping out in any other way I can. I have developed relationships with local artists, art teachers and college representatives whose experience and expertise may benefit the SCA&HC. I was chosen as Wallkill Valley High School Teacher of the year in 2013 and was the recipient of the SCA&HC Education Award in 2016.
